The Bee Man Says

"You do not count for much unless people know about you. The tree that falls in the forest lies unnoticed, and the rose that blooms far from the beaten path wastes its sweetness on the desert air."
ADVERTISE

A New York writer says:

"W. J. Bryan, after twenty years' leadership of the Democratic party in Nebraska, has been defeated on the county option plank. Liquor has been the ruin of many a good man."

A man holding an important position with the biggest sewing machine in the country says his company is running at full capacity, and that they expect 1911 to be a banner year. Maybe this means that more people will make their own clothes—economy with propriety.

JUSTICE MOODY TO RETIRE

Decides Not to Return to the United States Supreme Court Bench.

Magnolia, Mass., July 30.—Associate Justice William M. Moody of the Supreme Court will retire. He will take advantage of the act passed by Congress at the last session, for he has come to the conclusion that he can not again take up his duties.

Church Runs Grocery To Raise Money For Building Fund.

Washington, Ind., July 27.—To raise funds for a new church, the congregation of the Second Methodist Episcopal Church has opened a grocery store. J. H. Hopewell, pastor, has been bought, and the pastor, the Rev. William Hogan, has been put in charge. The name has been changed to the "Square Deal Grocery." The preacher has conducted a grocery before.

"Do you intend to continue selling cigars and chewing tobacco?" he was asked.

"Yes, we must do it, for that is considered a part of the business."

Statue of Lincoln in Kentucky State House.

Frankfort, Ky., July 28.—A \$16,000 heroic size statue of President Lincoln is to be placed in the rotunda of the first floor of the new capital. J. B. Sepe, of Louisville, has decided to present the statue with such a statue and the contract has already been made with the sculptor who designed the statue of Lincoln erected at Hodgenville, Ky., Lincoln's birthplace.

Kentucky Postmasters Meet in Lexington.

Lexington, Ky., July 30.—Fourth class Postmasters from all over the State are in annual convention here today with about sixty members of association present. President James A. Barnes, of Owensville, is in the chair.

Free Tuition.

All eligible persons are entitled to free tuition in the Western Kentucky State Normal School. The fall session begins September 6, 1910. Write President H. H. Cherry, Bowling Green, for particulars.

News of the Mines

Brent Hart, coal operator at Providence, was in the city Sunday.

Jas. Blanks, superintendent of the Victoria mines, was in the city Friday.

Messrs. Kimmel and Brasher spent several days last week at the Fox Run mines.

Henry Harris, who has charge of a mine near Central City, was in the city Friday and Saturday.

Maj. F. B. Harris Superintendent of the Diamond Mines at Mortons Gap was in the city Saturday.

Hugh Griffin who places hay and maize before semi-asenous domestics at Fox Run Sunday in our city.

John T. Barnett and Clay Woodruff, mine guards at the Fox Run mines near St. Charles, were in the city Saturday.

Morton Victory, who is weighman at Brent Hart's new mines near Providence, says he is well pleased with his new position.

Civilized engineers, Messrs. Kimmel and Brasher put in a day or so last week at Fox Run running levels for better drainage.

Elgie Hibbs, of Arnold, No. 11 afflicted his presence upon suffering friends and relatives at Mortons Gap last Sunday, a prospective square meal seemed to be his only excuse for this wanton outrage.

Toombs, Hodge and Cheek scoured the unpracticed citizens of Fox Run with their presence several days last week. The cries of anguish which ascended day and night from the stricken people would have melted a heart of stone.

The proper parties are now fasting and praying over the Arnold fan which in the continuous future will be thoroughly regenerated and made into a double cast fan which can be quickly reversed in case of emergency greatly facilitating the ventilation of this famous mine.

Messrs. Caviness and Paybone last Saturday installed a pump in the 11 mine which owing to its tremendous capacity is liable to inaugurate a drouth in all that subterranean country which lies between the United States and China and will doubtless affect deep wells in latter country.

A small wreck at Victoria last Thursday dragged down several timbers and thereby "Spragged" the wheels of business for a short time, but Superintendent Black and a corps of "Willing Workers" rolled up their sleeves and sailed into the debris and and soon had the heart of business pulsating with its customary energy.

Electrical Savant, Umstead with a battalion of positive and negative wizzards laid healing hands on No. 4 Dynamo at the power house and with imposing ceremonies put the same in ship shape, it having been horse-drawn for some time from a dislocated wrist and some internal complications which the writer from his limited knowledge of civilized lighting (he never has yet been able to tell the time of day by a volt meter) can

not clearly deduce, but he fixed it O. K.

The heavy rainfall last Thursday night completely covered the track scale at Arnold mine with a deposit of mud so deep that not the slightest trace of a scale was visible next morning but weighman Rhea met the emergency promptly being a water witch of the first magnitude he secured a peach tree switch and proceeded to "trace" out the hidden scale a crew of dignified citizens soon unearthed the buried emblem of justice and Dick proceeded to ascertain the whereabouts of emulous bitumen as business assumed the activity of a duck in a mud puddle.

Soldiers in Camp.

The 3rd Regiment K. S. G. have commenced to arrive in camp. Maj. Power executive officer, Capt. Ed Walker and two men, of Henderson, Maj. S. T. Berry, of Morganfield, and Capt. J. M. Dewees and two men, of Hartford, arrived in the city yesterday. Lieut. Brick Southworth is commissioner officer and Capt. Henry Rogers is captain of small arms. They will all arrive by this afternoon and the practice will commence in earnest. The boys will be in the range until the 7th, when the 1st and 2nd Regiments come here to form a state team to go to Camp Perry, Ohio, to enter the contest for the national shoot.

Injured by Train.

Omer Carpenter, the seventeen year old son of Andy Carpenter of this city, was painfully injured Sunday morning by being struck by an engine near Barnesley. He is in company with several others had been in swimming in railroad pond and were returning home. The remainder of the party had crossed the track and young Carpenter attempted to cross, but the train was closer than he thought and struck him, breaking his leg in two places, his shoulder and cut a painful gash in his head. He was brought to the hospital at this place and his wounds dressed. His injuries are not considered dangerous and he is resting as well as could be expected.

Course in Agriculture.

The Western Kentucky State Normal School offers a practical course of study in Elementary Agriculture, demonstration and actual work done on school farm. Teachers will have an opportunity to prepare for teaching the subject. Great opportunities offered young men who expect to make farming a life work. Course begins Sept. 6, 1910. Write for information, Address H. H. Cherry, President, Bowling Green, Ky.

New Ruling.

Under a new ruling of the Board of Education all teachers are required to attend the teachers' institute at the county seat or their certificates will be taken away from them. Formerly a small fine was imposed, but now nothing but the attendance of the teacher will do. A doctor's certificate of sickness is the only valid excuse that will be accepted.

Leave for Postmasters.

Washington, July 27.—Acting Postmaster General Garfield has granted leave of absence to postmasters of the third and four classes in Kentucky for as many days not exceeding five as may be necessary to enable them to attend the meeting of the Kentucky State League of Postmasters, to be held at Louisville on September 13, 14 and 15.

KILL THE COUGH AND CURE THE LUNGS

Locomotive Blasts

Trainmaster Wise was in Madisonville on business Friday.

Ed Heafer, interurban conductor, who has been in Henderson for the past week, resumed his run Friday.

E. Bramwell, law agent for the main line of the L. & N. rail road who has been visiting in the city, returned home Saturday.

Joe Faulkner, a former conductor on this division, now general yard master for the Southern at Huntingboro, Ind., was in the city Friday.

A washout on the M., H. & E., beyond Moorman, kept the passenger train from here from going any farther than that city. They turned their engine and returned here.

An embankment falling in on the L., H. & St. L., near Cloverport, kept the Louisville papers from reaching here Friday. The trains were indefinitely late at Henderson Thursday and Friday.

Secure a Certificate.

Under the law the Western Normal has the power to issue the ELEMENTARY CERTIFICATE, the INTERMEDIATE CERTIFICATE and the LIFE CERTIFICATE, which entitles the holders to teach anywhere in Kentucky for two years, four years and for life, respectively, without further examination. Information as to the amount of work required for each certificate will be furnished when desired. Fall session opens Sept. 6, 1910. Address H. H. Cherry, President, Western Normal, Bowling Green, Ky.

Illinois Coal Strike.

Chicago, July 30.—Referendum returns shows that Illinois miners are voting ten to one against accepting the Indianapolis terms to end coal strike.

WEAR and Worry PROOF

Webster School Shoe

for the young man of the family—plenty of style and a sturdy wear-resistance that is worth while. Made in the West, in a custom factory where shoe making is the only thing of importance.

Patent Leather, Blucher pattern, mat calf top, No. 0101, adult style.

Beside the all around shoe—goodness there's a Dictionary with every pair from size 11½ up

USE ST. BERNARD COAL

Mined in Hopkins County, Kentucky, the largest coal producing county in the State. This company operates

EIGHT LARGE MINES

and produces about one-sixth of all the coal mined in all Kentucky.

Best Coal for Steam and Domestic Purposes

St. Bernard No. 9 Coal has come to be recognized, through years of satisfactory use; as the standard grade both for steam and domestic purposes, in the large territory reached by our products. Another point in favor of our coal is the fact that we have established

An Unimpeachable Record for Prompt Service the Year Around

Our mines are operated more days in the year than any mines in Kentucky and with an enormous output at command we are able to give the promptest and most satisfactory service.

ST. BERNARD COKE

is also a superior fuel and is extensively used in base burners and heating furnaces for residences or any other building that needs to be heated, and takes the place perfectly of high priced anthracite coal. This coke is extensively used in manufacturing as well and is furnished in various grades.

If your Dealer does not Handle our Coal and Coke write to us.

Are Doctors Any Good?

Foolish question! Yet some people act as if a medicine could take the place of a doctor! The best medicine in the world cannot do this. Have a family doctor, consult him frequently, trust him fully. If we did not believe doctors endorsed Ayer's Cherry Pectoral for coughs and colds, we would not offer it to you. Ask your doctor. No alcohol in this cough medicine. T.C. Ayer & Co., Lowell, Mass.

If we did not believe doctors endorsed Ayer's Pills for constipation, biliousness, sick-headache, we would not offer them to you. Ask your own doctor about this.

News of the Town

Goodrich leads for photographs.

Meet me at Geo. King & Sons', Pianos and Organs. W. J. Bailey, phone 384, Madisonville.

Meet me at Geo. King & Sons', Claude Morton, of Madisonville, was in the city Friday on business.

Several nice dances were given at Webb's hall last week by the young men of the city to the lady visitors who are in the city. The dance Saturday night was a very nice affair indeed.

The county of Hopkins employs 181 teachers in the public schools. These do not include the colored teachers, of whom there are at least 30 or 35. Our schools under the effort of A. J. Fox were never in better shape.

Miss Maggie Turner, whose fine china and picture paintings took all the first prizes at the Hopkins county fair, will enter some of her work at the State fair at Louisville, and we feel assured that they will take the blue ribbon, as they are beautiful and well executed.

The severe wind, during the rain Friday night, blew the new boat off its foundation and threw the boats around, but did not damage them to any great extent. They were gotten out Saturday and men will at once commence to repair it and place it back on its foundation.

Mrs. J. W. Patterson, an esteemed lady of Madisonville, died Saturday at her home of stomach trouble. She had been in bad health for a long time. She leaves two children, one son and one daughter. She was buried at the Odd Fellows' cemetery in Madisonville Sunday afternoon.

Neal Spillman, Friday night during the storm while preparing to take a bath, was shocked by lightning and thrown across the bath room. It was several minutes before he recovered. His fingers on his left hand were numb for several hours and N. was very badly frightened for awhile.

Meet me at Geo. King & Sons', Falcon Baker and wife, of Madisonville, spent Sunday in Dawson Springs.

Chene and J. K. Long, of Greenville, were visiting their cousin, Elizabeth Long, last week.

Mr. Floyd Franklin, of Dawson Springs, is in the county court clerk's office for a day or so on account of the death of J. R. Mills.

Mrs. W. A. Toombs and Jimmie Ditzer, of Howell, returned today from a visit to Collierville where they were the guests of Mrs. Henry Byron.

Miss Ruby Sisk, who has been visiting in Manito several days, has returned home. She leaves tomorrow for Indiana, where she will visit relatives a few days.

MY OWN WILL COME.

Serene, I fold my hands and wait. Nor care for wind, or tide, or sea; I have no more 'twixt Time and Fate. For I'm my own debt come to me.

I stay my hate, I make delays. I stand amid Eternal Ways. And what is mine shall know my face.

Awake, awake, by night or day. The friends I seek are seeking me; No wind can drive my my barque astray.

Nor change the tide of destiny. The stars come nightly to the sky; The tidal wave unto the sea; Nor time, nor space, nor deep, nor high. Can keep my own away from me.

Serene, I fold my hands and wait. What's left of the storm of life may be. Faith guides me up to Heaven's Gate. And Love will bring my own to me.

—John Burroughs.

BIDS REQUESTED FOR REPAIRS

Improvements and Additions to Hopkins County Courthouse and Jail.

The plans and specifications for the above work are now at the office of Will T. Mills, County Court Clerk, at Madisonville, and those desiring to bid on same can see said plans and specifications by calling on him. They will also hand in their bids to him, sealed, not later than Monday, Aug. 8th, 1910, at which time the bids will be opened by the committee. All those awarded contracts will be required to make good and sufficient bond. After the bids are opened a special meeting of the Fiscal Court will be called to accept or reject said bids.

R. B. BRADLEY, Chairman, W. T. MILLS, Secretary, W. R. BRANSON, G. W. SPYERT, Committee.

A Wonderful Invention.

Owensboro, Ky., July 30.—Lew Williams is the inventor of an ice box, to be called a cold storage ice box, which is to operate without the use of any ice. It is to be on the same principle as a cold storage room or an ice factory, and by running coils through the box and by the use of ammonia and brine, the box is kept at a freezing temperature. This is done without the use of ice and Mr. Williams thinks will prove a great success. He expects to secure a patent on it.

New Bank Law.

Under a new ruling of Secretary of State towns of the State must show to the Secretary that it is large enough and does business enough to justify him in issuing a charter for any one to start a bank. He will appoint a committee of Bank examiners to pass on the application of people who wish to start a Bank. The names of this committee will not be made public until late in August.
